"God Bless America"

Dear Community Business,

The Lancaster County Woodcarvers are sponsoring their 39th Annual **Woodcarving & Wildlife Art Festival / Competition**, on March 17 & 18, 2012 at Student Memorial Center at Millersville University, Millersville, PA.

This up-coming festival marks the 39th year of more than 70 fine artists and artisans displaying their talents to the public. This year we have room to grow the number of displays. This festival is noted as the "Best Small Show in the East." Each year the quality of the festival gets better. Our normal attendance is about 900 patrons during the weekend.

In order to improve the quality and size of the festival, the Lancaster County Woodcarvers are inviting you to help by placing an advertisement in our festival program. Each attendee will get a festival program. This type of sponsorship is a benefit to both the festival and your business. Lancaster County Woodcarvers is a non-profit organization.

We also ask that you share the information about our Festival, with others in whatever way is appropriate for your business. Enclosed is a sheet of detailed information about our Festival. Of course also enclosed is an Advertisement Form.

To place your advertisement, please fill out the enclosed Advertisement Form and include a camera-ready black and white copy or electronic file (jpg format only, do not send pdf files) of your advertisement and a check made out to *Lancaster County Woodcarvers*, please return them to me by February 1, 2012.

If you have any questions, please feel free to contact me. Email is the preferred way to contact me.

The Lancaster County Woodcarvers is a Pennsylvania Non-Profit Corporation for educational and charitable work, especially to promote, foster and encourage the arts of woodcarving, whittling and sculpturing.

Sincerely,

Jeff Pretz
